GOD GATHERS US IN

One: I praise you because I am wonderfully made; your works are wonderful. I know that full well. For you created my inmost being; you knit me together in my mother's womb. All the days ordained for me were written in your book before one of them came to be. How precious to me are your thoughts of God.

All: Let us worship God!

PRAYER OF CONFESSION

All: Gracious God, maker and giver of life. We confess that we have not honored life. While voices have been crying out for justice, care and same treatment we have not listened. When we have been called to live in community, we have chosen individualism. And when we had the opportunity to live in freedom and responsibility, we have chosen just freedom. Forgive us of God. Search us and test our anxious thoughts and lead us into life. In Christ we pray. AMEN.
